DRY BASKET ARRESTOR RANGE

PRODUCT UPDATE 3/23

SPS IN-SINK DRY BASKET ARRESTOR

Ideal for use in light commercial sinks with 90mm outlet and connects to 50mm trap.

Outer body and clamping ring are manufactured from high impact resistant polypropylene. The body has a 304 grade stainless steel upper trim, basket and filter plate.

PRODUCT CODE

ISW90T

V93027 SINK-SHIELD® 2

For use in commercial and industrial sinks.

Sink-Shield® 2 is manufactured entirely from 304 grade stainless steel with an EPDM rubber plug and suitable for more hard wearing environments than Sink-Guard 2.

PRODUCT CODE

V93027

V93026 SINK-SAFE® 2

For heavy duty use in commercial and industrial sinks.

Sink-Safe® 2 features a ball valve that allows the sink to be emptied using a handle below the sink. The remote sink emptying mechanism helps minimise burns from hot water and contact with fat, oil, grease or detergents.

PRODUCT CODE

V93026

V93040 DRAIN-GUARD® 2

For in-floor use in commercial and industrial applications.

The filtering basket is concealed under a 150 x 150mm textured hinged grate cover which has a wheel load capability of 1100kg.
